OBJECTIVE

Motivated and eager full stack development student seeking an internship at a forward-thinking software house. Aiming to leverage my foundational skills in HTML, CSS, JavaScript, PHP, MySQL, and Python to contribute to innovative projects while gaining practical experience and further developing my technical expertise.

ABOUT ME

I am Sajjad Hussain from Gilgit Baltistan, Skardu. I am doing Software Engineering 6th semester in MUST University. I am a highly motivated and enthusiastic student with a strong passion for web development, seeking a full stack development internship at a reputable software house to gain hands-on experience and contribute to real-world projects.

SKILLS

HTML, CSS, JavaScript, Bootstrap, C++, OOP, PHP, MySQL, Python

LANGUAGE

Urdu, English
